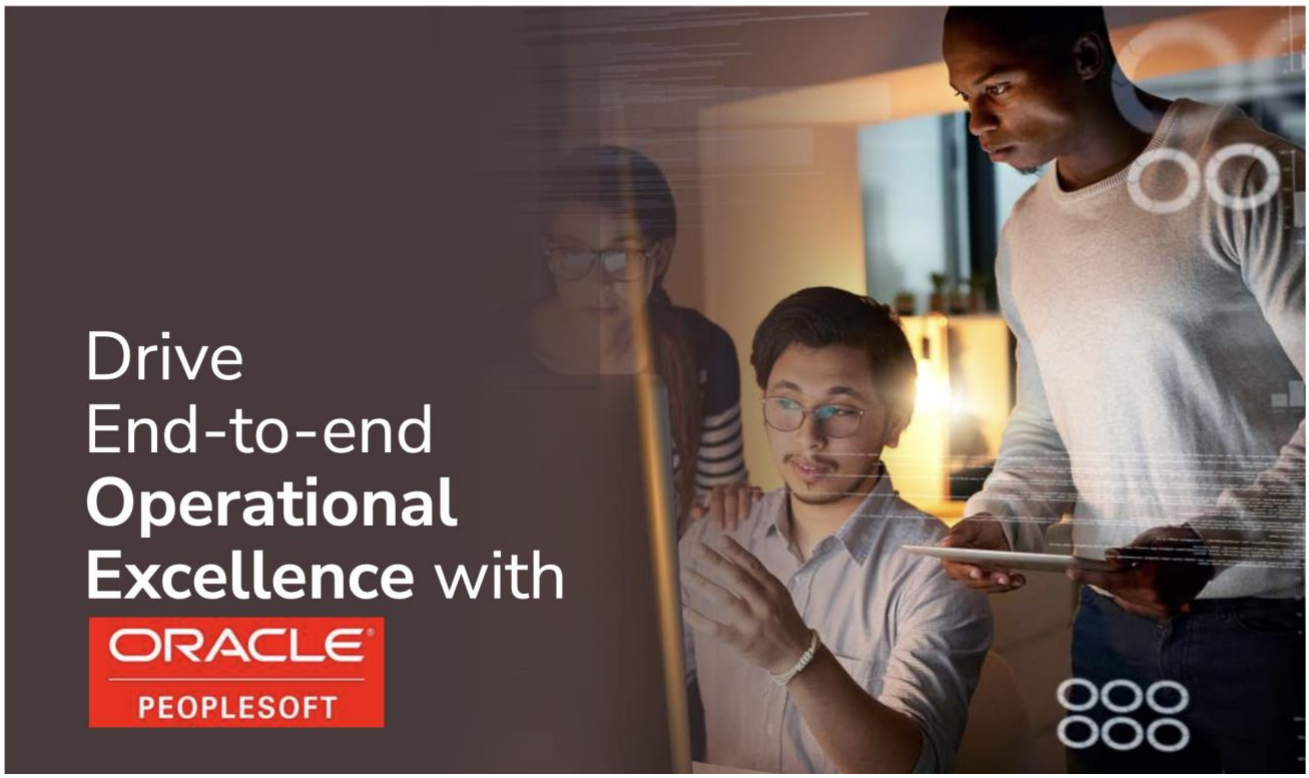
MOURI TECH®

ORACLE PARTNER



Our applications in Oracle's PeopleSoft provide comprehensive solutions for Human Capital Management (HCM), Financial Management, and Enterprise Learning Management. Equipped to offer bespoke scalability, flexibility, and deep functionality, Oracle PeopleSoft Center of Excellence (CoE) at MOURI Tech is a trusted choice for enterprises across diverse industries delivering tailored solutions that drive operational efficiency.

We offer consulting, implementation, upgrades, support, and managed services, to meet evolving business needs, and enhance user experience.

Oracle's extended support for PeopleSoft offers unique capabilities. Clients can now utilize all new features and functionalities available through constant PeopleSoft Update Manager (PUM), without moving to a SaaS application.

Oracle PeopleSoft Modules Offered by Us

- **Human Capital Management:** Streamline HR processes and empower workforce with our deftly-designed PeopleSoft HCM solutions.
- **Financials & Supply Chain Management:** Optimize financial and supply chain operations with our comprehensive PeopleSoft FSCM solutions.
- **Campus Solutions:** Enhance student experiences and streamline administrative processes with our innovative PeopleSoft Campus Solutions.
- **Lift & Shift:** Navigate applications seamlessly from on-premises to the Cloud. Develop a customized migration plan with minimal disruption to business operations.
