

MOURI TECH®

RISE WITH SAP | Driving Business Innovation Together

Maximize Recurring Revenues with SAP's Innovative Billing Solutions

Elevate Your Business with MOURI Tech's Advanced Billing Strategies

Transform Your Billing with MOURI Tech and SAP BRIM : Optimize revenue streams and enhance customer satisfaction with solutions for personalized subscriptions, pay-per-use models, and consolidated billing.

Our Expertise:

- **Subscription Management:** We customize subscription plans and adjustments for seamless transitions, upgrades, and customer satisfaction.
- **Automated Billing:** We implement automated billing to reduce errors, enhance efficiency, and ensure timely payments.
- **Receivable Automation:** We streamline invoice generation, tracking, and follow-ups to improve collection rates and reduce workload.
- **Customer Entitlement Tracking:** We monitor usage and entitlements in real-time to prevent revenue leakage and ensure accurate billing.
- **Data Handling:** We manage data capture, validation, and processing to support high-volume transactions and ensure data reliability.

Business Impact:

- **Optimized Revenue Streams:** SAP BRIM, implemented by MOURI Tech, enhances billing accuracy, and streamlines revenue management.
- **Innovation and Efficiency:** Benefit from our expertise in cutting-edge billing solutions to drive efficiency and innovation.
- **Bundled Orders and Complex Billing:** Our BRIMEdge manages bundled orders, complex billing, and financial reporting.
- **Revenue Boost:** Integrated billing data and visibility lead to increased revenue per customer.
- **Reduced Manual Effort:** Our automated processes minimize manual tasks and errors, enhancing efficiency.
- **Enhanced Future Readiness:** Our solution adapts to high-volume and usage-based SaaS models for scalability and growth.
- **Shorter Development Lifecycle:** Leveraging our BRIM ABAP expertise reduces custom development timelines.

Why MOURI Tech?

- **Boost Recurring Revenues:** We implement innovative pricing and billing models to maximize revenues.
- **Enhance Customer Value:** We offer tailored solutions and seamless billing experiences to boost loyalty.
- **Scalable Solutions:** We automate billing to manage high volumes efficiently and accurately.
- **Reduce Operational Costs:** We streamline billing systems to cut operational expenses.
- **Unified Billing Stream:** We integrate data from multiple sources into a cohesive billing stream.
- **Increase Customer Satisfaction:** We combine costs, services, and items into one invoice.
- **Ensure Billing Transparency:** We provide full transparency from usage to invoicing.
